Rotarian of the Day

Broc Unruh was born in Wichita, KS and also lived in Olathe, KS before moving to Grove 10 years ago. He says he was born a Kansas University fan....and has yet to be converted. He is the oldest of 4 children, sisters Ami and Molly and brother Wade. Ami and Wade work with him at Broclee's Grill. Last December he expanded the restaurant to include *The PourHouse at Broclee's Grill*.

Broc received 2 bachelor degrees from Oklahoma Wesleyan University. Along with Rotary, he has been on the Chamber of Commerce Board of Directors for several years and is currently serving his 3rd term as Treasurer. Broc does not have any children of his own unless you count his 2 dogs, a Great Dane and a Pit bull/Boxer mix, but he does enjoy spoiling his 2 nieces and his fiancée's 3 children.

Broc will be getting married on October 11, 2012 and he says everyone is welcome to join in the celebration so be sure to mark your calendars. His fiancée is LeeAnn Wilkes and while she works for Broc part-time to spoil her kids, she is the Education Manager for Headstart and directs 9 Head Start Centers in NE Oklahoma.

GRANT APPLICATIONS BEING ACCEPTED

During the month of May, the **Charitable Giving Committee** will be accepting applications for *Grants* for the Grove Rotary Foundation. All requests that are not part of the Rotary Club's service projects (i.e. Dictionary, Choices, RYLA) *must* have a Rotary member sponsoring the application (i.e. Library, Little League, Lendonwood, etc.). The **Guidelines** (*philosophy and procedures*) have been posted as well as the **Application form** at groverotary.org. The form will need to be downloaded, completed and returned via email no later than June 1, 2012. If you are a sponsoring Rotarian, *please* read the guidelines carefully.

The committee will evaluate the requests the first two weeks of June, make budgetary recommendations the 3rd week of June and submit them to the Foundation Board, who will re-evaluate them and submit them in the 2012-13 budget to the Membership in early July for final approval. *This is your opportunity to help us contact all deserving organizations in our community that might benefit from our support.*

If you have any questions, contact Carolyn Williams or Carol LaRue.
